Go To College Free Cover Story

"Have a great day at school," the woman said to her son as she dropped him off at school for his Running Start classes. "I will," he said as he rushed off to class.

As the woman walked back to her car, she noticed a sign near the student center. It read "Workforce" in large letters. "Hmm, I could use a job," she thought as she stared at the sign. Then without further thought she turned in to the student center.

As the woman followed the signs into the hall where the event was being held, she saw a large group of people. Looking around for someone in charge, she asked about the program. She told the counselor that she was a divorcee looking for a better job, so she could provide for her son.

"Can you help me," she asked. "You're in luck," the counselor said. "From what I've heard, I think I can get you qualified for our displaced home maker program. You'll be able to go to college for free and get the job training you need to go back to school."

Michiko Takamori took the counselor up on his offer, even though she had already completed college and was just looking for a job.

Now, thanks to Go to College Free, she is hitting the books and going back to school to become a paralegal.

"I found this opportunity, and I am learning more practical skills to find a job," she said. "I am very grateful that I can get some funds for my education."

"After my schooling at GRCC, I hope I can get a good job and would like to continue my schooling, maybe journalism or something for my passion to read and write," she said.

Though most students who qualify for GTCF aren't quite in the same situation as Michiko, one thing is consistent: The program is changing lives, according to Workforce Director John Bowers.

"When I see a mom or dad come through the door who doesn't have job skills, sometimes their families are with them. So when a mom becomes a LPN or a dad gets his IT degree, not only has college made a difference in the person's life but in their family's life as well. This program is a good opportunity to see more people getting what they need to do done," he said.

We are looking for 250 students for winter quarter. You could be one of them. Visit www.greenriver.edu/gotocollegefree or call (253) 288-3319 to see if you qualify.

Courses of Interest

IT PC Repair Technician Certificate classes are now available in the evening.

This quarter's classes are **Introduction to Computer Science (IT 101)** and **Customer Service for IT Professionals (IT 140)**.

For more information on the PC Repair Technician certificate, visit www.instruction.greenriver.edu/it/degreeoptions.htm, contact IT Instructor Alan Carter by e-mail at acarter@greenriver.edu or call (253) 833-9111, ext. 4630.

Love A Good Mystery?

Do you get tired of plodding through heavy, dry reading material assigned for classes? Would you rather relax with an engaging mystery or detective novel?

If you answered yes to either question, enroll in **Literary Approaches to Detective Fiction (ENGL 183)** now. See page 44 for more info.

Power to the (ordinary) people

We've all heard the saying that one person can save the planet. At Green River, we know that it's not just a saying, it's true. And we believe that one person could be you. If you are passionate about preserving our planet (hey, we only got one) and want to make a difference, enroll in one of our technology programs such as natural resources, water technology, geographic information systems, design drafting, engineering or wastewater technology.

Want more info?

Call (253) 833-9111, ext. 4671 to speak to Doug. He'll answer all your questions. You can also e-mail green-careers@greenriver.edu. Free tuition is available through the Workforce education program if you qualify.

Career Advancement

Great Training = Excellent Pay

Looking for a rewarding career in health care and a good salary? How does \$18-\$25 an hour sound?

If you like what you hear, sign up for our Occupational Therapy Assistant program.

It's the only occupational therapy assistant program in the Northwest, and classes

take place during fall in a full-time day program format and spring quarter in a part-time evening and online option.

Prerequisites are required, so don't delay; make your career plans today.

For more info call Noel Hepler at (253) 833-9111, ext. 4341 or Jon Arnhold at ext. 2630.

Water... Environment... You?

Are you interested in a career where you can directly impact the environment and the lives of millions? Then look no farther than Green River's Water/Wastewater program.

Water and wastewater operators are arguably some of the most important people in the world because they ensure that we have clean water to drink and that wastewater is discharged in an environmentally safe manner. It takes special people to do this job. People who like to work with their hands and have an interest in biology, chemistry and mathematics are ideal for this opportunity.

Heavier Than Air Family Theatre

The Arts at Green River

2008-2009

Fall

Annie

December 12-14, 19-21 and 26-27

\$10

Annie is a musical based upon the popular Harold Gray comic strip Little Orphan Annie, with music by Charles Strouse and lyrics by Martin Charnin. The musical's songs "Tomorrow" and "It's a Hard-Knock Life" are its most popular pieces.

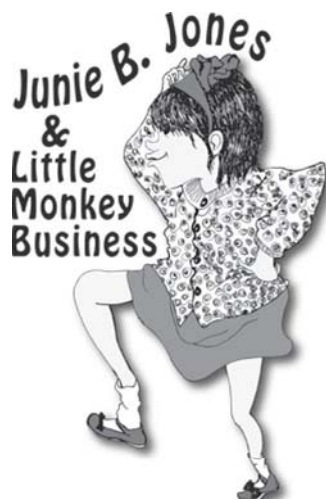

Winter

Dr. Dolittle

March 20-22 and 27-29

\$10

The classic tale of kindness to animals comes to stage in Heavier Than Air's presentation of Doctor Dolittle. A family appropriate musical, it is a timeless lesson teaching us to respect all of the creatures of the world.

Spring

Junie B. Jones & A Little Monkey Business

June 12-14 and 18-20

\$8

Join Heavier Than Air and the precocious pipsqueak Junie B. Jones for "Junie B. Jones & A Little Monkey Business" from the popular book by Barbara Park adapted by Joan Cushing.

Showtimes: Fridays at 7 p.m., Saturdays at 3 and 7 p.m. and 3 p.m. on Sundays.

For tickets call Student Programs at (253) 833-9111, ext. 2400. A 20 percent discount is available for purchases of 15-ticket bundles for the same show and time. Season tickets are \$20.

Theatre Extemporé

The Arts at Green River

2008-2009

Fall

The Odd Couple

Nov. 28-30 and Dec. 5-7

Felix Unger is maddeningly fastidious; Oscar Madison is an incorrigible slob. When the two divorced New Yorkers decide to share an apartment, hilarity ensues for the odd couple.

Winter

The Curious Savage

March 6-7 and 13-14

Mrs. Ethel Savage would like to give away her recently inherited fortune; her children think she's crazy and try to have her committed. But the kindly widow has a crafty plan to outwit her greedy offspring.

Spring

The Merry Wives of Windsor

May 29-30 and June 5-6

Shakespeare's favorite rowdy bad boy, Sir John Falstaff, creates merry mayhem among the lusty wives of Windsor's Garter Inn.

For tickets, call the Student Life office at (253) 833-9111, ext. 2400, or visit the Lindbloom Student Center, Room 204.

State support of higher education

The state of Washington contributes to the cost of students' education through support of basic instructional cost and state-supported financial aid. The table below indicates state support by tuition category for students attending Green River Community College for academic year 2007-2008.

	Resident undergraduate	Nonresident undergraduate
Instructional cost per FTE* student	\$6,833	\$6,833
Operating fee	\$2,145	\$6,964
Net state support per FTE* student	\$4,688	NA

In addition to state support of the basic instructional cost, students also receive state supported financial aid, including that provided from the local institutional financial aid fund (3.5 percent). These amounts are represented by the table below:

State financial aid per student FTE*	\$655
Institutional financial aid fund per student FTE*	\$78
Total financial aid per student FTE*	\$733

*Full-time equivalent.

New students

1. Complete an application for admission.

Admission to the college is open to anyone who has a high school diploma, GED, or is 18 years old by the first day of the quarter they are planning to attend. Please note, if you are 16 or 17, you will need to submit a high school release form from the school district you live in, along with your application for admission (unless you have a GED or high school diploma).

2. Complete the COMPASS.*

*If you have a degree from a community college or a baccalaureate college, you may not need to do this. Bring an unofficial transcript with you to your advising appointment.

3. Schedule a New Student Advising session by calling (253) 833-9111, ext. 2641, or by signing up online at www.greenriver.edu/advising.

Returning students/not currently enrolled

Request that Enrollment Services update your record. Call ext. 2500 or re-apply online.

Currently enrolled day and evening students—Registration access times

Registration notifications will not be mailed. Two weeks prior to the start of registration, visit the Green River Web site www.greenriver.edu/online to access your registration time.

Continuing Education

Please see page 65 for non-credit Continuing Education classes.

GED testing

GED testing takes place in the Assessment and Testing Center at the Welcome Center (ZWC) every Monday from 8 a.m. until 8 p.m. on a walk-in basis. The fee for the GED Test is \$75, payable at the Cashier's Office in the Lindbloom Student Center. You must have government-issued picture ID to test. If you are 16, 17 or 18 years old, you must also bring a signed Request for Approval to Test for the GED from your school district office. For more information, please call the Assessment Center at ext. 2650.

Online Services (www.greenriver.edu/online)

In addition to registration, our site offers a variety of options. A menu will walk you through the steps. The options available are:

- | | |
|----------------------------|------------------------------|
| ■ Class information | ■ Register |
| ■ Degree audit | ■ Student address change |
| ■ Financial aid inquiry | ■ Student PIN change |
| ■ Hope Scholarship | ■ Student schedule |
| ■ Registration Access Time | ■ Unofficial transcript |
| ■ Schedule Planner | ■ Pay by credit card/e-check |

Visit the **Schedule Planner** prior to registering for classes.

Schedule Planner

This feature provides you with up-to-the-minute class information and enables you to:

- Plan your schedule for the upcoming quarter
- Find out if your class selections are open or closed
- Check each class for required prerequisites

To access the Schedule Planner feature

1. Go to www.greenriver.edu/online
2. Select **Schedule Planner** under **Class Planning**

Web Registration

Who can use Web Registration?

All students who

1. have completed the admissions process;
2. have been assigned a Student ID number and PIN;
3. have been assigned a registration access time; and
4. are registering or withdrawing from credit classes.

Web Registration cannot be used when registering for:

- Continuing Education classes
- High School Completion
- GED/ABE/ESOL
- Audit of credit classes
- Tuition waivers

Web Registration hours

5 a.m. to midnight daily

Note: Web registration function is not available after the third day of the quarter.

Registration access time

You may use Web Registration anytime on or after your scheduled access time, but not before.

To register, select Login to Register from current students, online services. Follow the instructions as they appear on the screen to register for the classes of your choice. **You will be asked to enter the course item number.** This is located to the far left of the class time listed in your class schedule. (*See page 18 for example.*)

If you are registering for a class that requires permission, instructions will automatically appear on the screen requiring you to enter an entry code.

Entry codes

These are five-digit numbers issued to you by the instructor of the class or by an advisor. They are used as authorization for classes requiring permission or prerequisite satisfaction. Once you have used an entry code, the computer will not accept it again.

Credit maximum

Academic students may register for up to 20 credits per quarter. Professional/technical students may register for up to 25 credits per quarter.

To print class schedule

1. Go to www.greenriver.edu/online
2. Select **View My Schedule** under **Class Planning**

Waitlist for full classes—automated system

How do you get into a class that is full?

Entry codes **will not** allow you to by-pass the waitlist option and register yourself into a full class. The waitlist process works as follows:

- Web or in-person registration will provide the option to waitlist into a full class. All prerequisites must be met to be added to a waitlist.
- You can add your name to three separate waitlists—an example would be math, English and chemistry.
- Review your schedule every few days via the Web to see if you have been added to the class.
- Enrollment Services will notify you by mail when you have been moved off the waitlist and into the class. Your updated schedule will be included with the notification.
- You are responsible for making sure your schedule is accurate by dropping any unwanted classes. Failure to do so will result in a 0.0 grade being posted to your transcript and possible additional tuition and fees.
- To remove your name from a waitlist:
 1. Go to www.greenriver.edu/online
 2. Select **Waitlist Inquiry & Update** under **Class Planning**

You may also stop by Enrollment Services to request that your name be removed.

- If you have not received notification by the first day of the quarter that your waitlist status has changed, you need to attend the first class session and identify yourself to the instructor.
- Attending the first class session will not guarantee admittance into the class.

Students are responsible for the accuracy of their class schedule. If you are registered for a class that you no longer plan to attend, see Enrollment Services for procedures to withdraw from the class.

To pay tuition online

1. Go to www.greenriver.edu/online
2. Under **Payment Options**, select **Pay by Credit Card**
3. Enter SID and PIN (PIN not required to make payment.)
4. Select quarter
5. Enter account information
6. Enter credit card information
7. Once you select “Charge my account,” you are instructed to wait for a confirmation number, and then print the number for your records. **Please note that if the confirmation number does not come up, the charge did not go through.**

For questions on payment options or problems, please call the Cashier’s Office at (253) 833-9111, ext. 2050.

Address correction

Both your e-mail and mailing address are vital to your college records since you will often receive material from the college through the mail. If your address has changed during the quarter, be sure to report your new address to the Enrollment Services Office:

1. Go to www.greenriver.edu/online
2. Select **Student Address** under **Student Information**

Disability Support Services—ext. 2631

Green River Community College is committed to assisting students with disabilities to obtain equal access to programs and services at the college. Disability Support Services is located in LC-271A in the Lindbloom Student Center. Students requesting accommodations need to contact DSS and are required to provide current documentation of disability. For information regarding documentation needs and about Disability Support Services in general, please contact the Disability Support Services Coordinator during business hours. Information pertaining to 504 compliance is available from the director of Disability Support Services.

Financial aid—ext. 2440

The Financial Aid Office is located in LC-231 in Lindbloom Student Center. Financial aid is available in the form of grants, loans, work-study jobs and scholarships. Contact the Financial Aid Office for information and applications. **Please allow at least three months for application processing.**

Full-time student status

The definition of “full-time student” varies for certain agencies, such as the Immigration and Naturalization Service, Veterans Administration, College Financial Aid, Social Security Administration and insurance companies. **In most cases, to be considered full time, you must be registered for 12 or more credits.**

Parking—ext. 3350

Parking is one of the many services provided through the facilities fee. Students are required to register cars at the Cashier’s Office to help ensure the safety and security of vehicles. Questions pertaining to parking should be directed to the Safety Office at ext. 3350.

Student rights and responsibilities

Students are held responsible for knowing and obeying published rules and regulations of the college as detailed in the student handbook. Students are responsible for knowing the academic requirements and for scheduling necessary courses in their proper sequence.

This information is available in the student handbook and includes Green River’s policy on alcohol and other drugs, the costs of attending the college, our enrollment policies, graduation rates, information about our testing center, and much more. We are confident you will find them useful. Please call ext. 2400 or stop by the Information Desk in Student Life to obtain a student handbook.

Registration information

Residency requirements—ext. 2513

The state of Washington has established specific criteria for students to qualify as residents for tuition paying purposes (references: RCW 28B.15 and WAC 250.18).

A resident student is one who is a U.S. citizen, or has permanent or temporary resident status, or holds “Refugee-Parolee” or “Conditional Entrant” status with the United States Immigration and Naturalization Service or is otherwise permanently residing in the United States under color of law; **and** be either:

1. **Financially independent student:**
 - a. Has established a bona fide domicile in the state of Washington primarily for purposes other than educational for the period of one year immediately prior to the first day of the quarter for which they have registered at any institution; **and**
 - b. Be financially independent.

OR

2. **Financially dependent student:**

Is a dependent student, with one or both parents or legal guardians having maintained a bona fide domicile in the state of Washington for at least one year immediately prior to the first day of the quarter for which they have registered at any institution.

To apply for residency reclassification, students submit a residency questionnaire and provide the required documentation to Enrollment Services. Students may apply for residency reclassification through the 30th calendar day of the quarter. See residency questionnaire for complete details. Residency questionnaires are available online, in Enrollment Services, or by calling ext. 2500.

Note these additional points:

- Residence is not an equivalent of domicile only—**must** also provide documentation supporting student’s financial independent or dependent status.
- The domicile of a minor is normally that of the parent or legally appointed guardian.
- International students attending GRCC who have been issued an I-20 form are classified as non-resident regardless of length of residency in Washington state.

Nonresident waiver

The Washington State Board for Community and Technical Colleges has authorized the colleges to waive a portion of the nonresident tuition rate for United States citizens and INS Permanent residents who have not met the above criteria for in-state residency. GRCC honors this automatic waiver at the time student makes application to the college. The student pays the non-Washington resident tuition rate (see chart on page 12).

HB 1079 (Undocumented Person) Waiver

Effective July 1, 2003, Washington state law was changed to make certain students who are not permanent residents or citizens of the United States eligible to pay resident tuition rates. To qualify students must complete an affidavit declaring they have resided in Washington state for three years immediately prior to receiving a high school diploma and completed the full senior year at a Washington high school or completed the equivalent of a high school diploma.

Veterans Services—ext. 2466

Veterans Administration education assistance benefits are computed as follows: 12 or more credits equals full time; 9-11 credits equals three-quarter time; 6-8 credits equals half time; 5 or fewer credits equals tuition fees only. Certification for educational benefits will be forwarded to the VA after proof of registration has been received by the GRCC Veterans’ Services Office or when the recipient requests Advance Pay, which must be received by the VA no later than 45 days prior to the beginning date of the quarter.

Reduced tuition is available for veterans subject to established guidelines. For information, visit Enrollment Services in Lindbloom Student Center, second floor. A certified copy of your DD Form 214 or a letter from your commanding officer will be required.

Withdrawal and Refund Policy

Credit classes

It is your responsibility to withdraw from the college or from individual courses. You must submit a withdrawal/change of schedule form to Enrollment Services to guarantee the accuracy of your permanent records and to begin refund procedures when applicable. You may receive a refund under the following conditions (*Summer quarter differs – review quarterly calendar for refund dates*):

Percentage of refund

1. **100 percent refund—Through the first official day of the quarter** or for identified short-term classes through the first class session only. Short-term classes are indicated by dates published with the class listing.
2. **100 percent refund of tuition and fees—**When courses or programs are canceled.
3. **80 percent refund of tuition less fees—**When official withdrawal occurs during the second through fifth days of the quarter. (*Summer quarter – second through third days of the quarter*)
4. **40 percent refund of tuition less fees—**When official withdrawal occurs during the sixth day of the quarter through the 20th calendar day of the quarter. (*Summer quarter – 4th through 13th calendar day of the quarter*)
5. Short-term classes—100 percent refund of tuition and fees—when official withdrawal occurs prior to or on the first day of class only. Short-term classes are indicated by dates published with the class listing.
6. **No refunds—After the 20th calendar day** of the quarter. (*Summer quarter – no refunds after the 13th calendar day of the quarter*)
7. Refunds of less than \$10 will not be made.

8. Appeals to the refund policy must be submitted to the Enrollment Services Office in written form with **supporting documents attached**. Refund appeals must be received by the Enrollment Services Office within one year of the quarter in question.
9. A separate refund policy applies to students receiving financial aid. Tuition refunds must be returned to the financial aid account and not to the student.

Host families needed

Green River's international students need caring host families. Homes are needed for students where they can have their own rooms and share dinner with the family. They will also share cultures

and friendships and contribute to family expenses. Length of stay varies from one month to two years. Homes are needed for male and female college students from various countries.

If you are interested in hosting an international student, please call Green River's Host Family Information Line, ext. 2129 and make a reservation for our next orientation.

eLearning/Distance Learning

www.greenriver.edu/elearning

Welcome to Green River and thank you for choosing eLearning/Distance Learning. The information on this page will make your enrollment and coursework easier. The class schedule and the Web site www.greenriver.edu/elearning display current eLearning/Distance Learning offerings. For further information, call (253) 288-3354 or e-mail elearning@greenriver.edu.

Angel Learning is here!

GRCC will be using Angel Learning for most Internet and FLEX courses. We will discontinue using Blackboard effective Winter quarter. There is a step-by-step user's guide on the Angel Learning site: <http://greenriver.angellearning.com>.

Log on information

Instructions on how to determine your login ID and password (for Angel and Washington Online) and the directions to all class sites can be found on the eLearning site. Once on the eLearning site, choose the current quarter's schedule from the links on the left side of the page. The schedule will list all of our eLearning offerings along with the instructor's name, e-mail address and directions to the class site.

When you register for an eLearning course, the section number on your class schedule will be DE, TEL or WOL and the time and day will say ARR. If your course is a FLEX course which combines online and face-to-face instruction, the section number will be DE and the class meeting times will be listed. The time and place of the first meeting for FLEX classes is listed on the eLearning site. WAOL classes have a different starting date which you can find on the eLearning site.

What technology will you need?

- Windows 2000, XP, Vista or Mac OS 8.0 or higher with at least 500 MB of RAM. Some classes are not compatible with earlier versions of Windows. Some classes are not Mac compatible. Contact your instructor for compatibility information prior to enrollment.
- 56k modem: DSL or cable modem is preferable
- CD-ROM drive
- Internet service provider and your Green River e-mail account
- Internet Explorer 7 or FireFox 2 that has the latest version of JavaScript enabled and all pop-up blockers disabled. Links to the latest versions of browsers are on the eLearning site. (Angel will not work on other versions of these browsers.)

Mac users: It is strongly recommended that you use the FireFox browser when working in Angel (www.mozilla.com).

To request disability accommodation, contact Green River's Disability Support Services office at least two weeks prior to the start of the class. You can reach DSS at (253) 833-9111, ext. 2631 or by e-mail at dss@greenriver.edu.

If you are taking a computer course at home, it is your responsibility to have a computer with the adaptive technology that you need.

Important notes

Many of our online instructors require proctored exams. You can take the exam at our testing center or arrangements can be made for the exam to be proctored in many testing sites throughout the world. Check with your instructor for more information.

Special fees

eLearning options carry additional fees.

Internet Courses: Visit: www.greenriver.edu/elearning

Most of the GRCC online courses use a course delivery system developed by Angel although some of our instructors have created their courses using other Web development software. All Green River eL classes will be available at noon on the first day of the quarter.

Washington Online: Visit: www.waol.org or e-mail: wa-online@ctc.edu

WAOL is a consortium of the community and technical colleges in Washington. WAOL courses are developed and taught by faculty contracted by WAOL. Students from across the state are enrolled in a WAOL course. Washington Online (WAOL) courses start and end on different days than GRCC courses. See the eLearning Web site for WAOL dates.

HL ED	150	Total Wellness	4695	Marshall J	46
LIB	180	Research Methods	5627	Marshall J	49

Telecourse: Visit: www.greenriver.edu/elearning

Students view videocassettes and read accompanying texts, send in assignments, and attend a few on-campus meetings. If captioning is required, it may take 4 weeks from the date of the disability accommodation request to have videos appropriately prepared. GRCC faculty run all GRCC telecourses and their contact information is in the credit section of this Class Schedule. Please contact the instructor for directions on how to begin your course.

Basic Education And GED Preparation

New ABE/GED students call 253-833-9111, ext. 2315 for assessment and registration appointment. **Continuing** students should talk to their Basic Skills instructor or go to RLC-125.

GED and Adult Basic Education Classes

Students who want to study for the GED test or want to improve their basic math, reading, and writing skills are encouraged to enroll in Adult Basic Education or GED classes. GRCC offers ABE and GED classes that give students the opportunity to work individually or in small groups to accomplish their specific learning goals. In these classes, GED students have the opportunity to practice the GED tests and get expert instruction and advice before taking the tests.

Registration is easy! Simply take a short placement test to assess your skills before registering. A \$25 tuition fee will be charged for any combination of BASIC classes each quarter. Tuition waivers available.

Kent, Auburn Center, and main campus students should call 253-833-9111, ext. 2315, to schedule a time to take the assessment and register. Enumclaw students should call 253-288-3400.

Classes are held at the following locations and times:

Parent-Child Education

Parent-Child Education is shared learning in early childhood for families. It provides important opportunities for parents to study their own children's development and behavior at different ages and to participate fully in that learning process.

Teachers, hired by each program, set up a sound educational curriculum for young children and establish routines and activities that promote social, physical, mental, emotional and creative growth for each child. A Parent-Child Education instructor, provided by the college, is assigned to each program and serves as an educator and resource person to the parents, the preschool teacher and the children.

Parents earn college credits each quarter for participation in the co-op program for a reduced fee per credit. An additional lab fee is paid to the preschool for the child's participation.

Opportunities are available for families with children, age birth to 5 years, at 6 locations throughout the community.

For more information, call the individual programs listed below or call the program director, Leslie Kessler, at (253) 833-9111, ext. 2729.

Learning Community: Outside the Matrix – Examining Our Perceptions

In day-to-day life, there are many things we do that we don't pause to examine or analyze. These "cultural myths" can blind us to the underlying beliefs upon which they are built as they also become seemingly vital to our lives. By using the movie "The Matrix" as a frame, this course will engage students in the process of looking behind cultural myths as they read and write about the assumptions that drive those beliefs. This course combines ENGL 100–Introductory Composition and READ 104–Reading Mastery for 10 credits.

Math Resource Modules

The Math Division offers a series of two-credit modules designed to supplement MATH 062, 070, 072, and 097. These modules by themselves do not meet the prerequisite for the next class. Students can choose one or more of the following activities:

- 1) using math videos; or
- 2) using math computer courseware; or
- 3) using supplemental printed resource material; or
- 4) participating in Math Learning Center tutoring.

You are encouraged to register for a Math Module if:

- 1) You need extra help while taking one of these courses; or
- 2) You are not taking a course yet, but you want to build specific skills before you enter a math course.

Students must attend a 50-minute orientation session in SMT-313 on 01/06/09 from 12-1p or 6-7p.

Learning Community: Outside the Matrix – Examining Our Perceptions

In day-to-day life, there are many things we do that we don't pause to examine or analyze. These "cultural myths," can blind us to the underlying beliefs upon which they are built as they also become seemingly vital to our lives. By using the movie "The Matrix" as a frame, this course will engage students in the process of looking behind cultural myths as they read and write about the assumptions that drive those beliefs. This course combines ENGL 100-Introductory Composition and READ 104-Reading Mastery for 10 credits.

**COOPERATIVE
EDUCATION
INTERNSHIP
PROGRAM**

**Co-op gives you credit
while you work**

Unsure about how to get experience? Changing careers or upgrading skills? Joining Co-op could help you get started on the path to a new career or first career.

The Cooperative Education Internship Program (Co-op) at Green River Community College allows GRCC students to complete elective academic credits through work experience (paid or volunteer). Students who declare a specific area of study must work or volunteer in that field. Students who are taking general studies or intend to transfer may also qualify for work experience.

Contact ext. 2550 to receive your Co-op packet and schedule an orientation.

Co-op's popular 1-credit seminar is now online. For information about the online seminar, please visit the Co-op office in the Science, Math & Technology Building (SMT-122) or call ext. 2550.

Note: Entry codes are available from the faculty advisor listed for each area of study.

Intensive English as a Second Language

www.greenriver.edu

Intensive English as a Second Language (IESL)

Intensive English as a Second Language (IESL) is a non-introductory, non-credit program that prepares international students for further academic or vocational study in a U.S. institution of higher education. The program teaches grammar, writing, reading, and listening/speaking at five levels. During fall, winter and spring quarters, classes meet four hours per day, five days per week, for 11 weeks. In summer, the instruction runs six hours per day, four days per week, for eight weeks.

Students must apply to International Programs at least one month prior to the beginning of the quarter and must meet all admission requirements. When they arrive on campus, they are tested and placed in classes that correspond to their levels of English proficiency. U.S. citizens and permanent residents are eligible to take a separate program with reduced tuition.

OD 0639 Introduction To Winter Steelhead Fly Fishing

Many anglers consider the elusive steelhead the ultimate Pacific NW angling prize. Steelhead can also be taken on flies in winter! In this 2-session course you will learn how, where and when to pursue winter steelhead with the fly. Session 1 in the classroom will focus on tackle, equipment, lines, and flies (we'll address both 1-hand and Spey fishing). Session 2 will be held on the water where you will have hands-on instruction, practice and fishing. Rental rod, reel and lines available from instructor for \$10. No tuition. Fee \$69.00. CEUs: .6
