

A rectangular sign with a dark border stands in a lush green field. The sign has the words "ZION HILL" on the top line and "CEMETERY" on the bottom line, both in dark, bold, sans-serif capital letters. The field is filled with tall, vibrant green grass. In the background, a line of tall, dark green evergreen trees stretches across the horizon under a bright blue sky with scattered white clouds. A faint dirt path is visible on the left side of the field.
