

A wooden sign for Pine Creek Cemetery is mounted on two vertical wooden posts. A thick, horizontal log beam is positioned above the sign. Below the sign is a white notice board with several papers pinned to it. The background shows a clear blue sky, some green trees, and a grassy area with a metal fence in the distance.

ESTABLISHED 1914

A wooden signpost stands in a field of tall, dry grass. The signpost is made of weathered wood and has a horizontal sign attached to it. The sign is made of two wooden planks and has the words "PIONEER" and "SECTION" carved into it in a serif font. In the background, there is a hill with sparse vegetation and a few trees. A wire fence runs across the middle ground, and two small white markers are visible on the hillside.
