

1005 CEMETERY

A weathered wooden archway stands in a grassy field, marking the entrance to a cemetery. The archway is constructed from two vertical posts and a horizontal beam. The words "1005 CEMETERY" are painted in black, block letters across the top beam. The wood is aged and shows signs of wear. In the background, there are several large, green pine trees and a small, light-colored building partially visible through the foliage. The ground is covered with dry, yellowish grass and some small shrubs.
