Full Title/Motion: A Resolution of the City of Bonney Lake, Washington, approving the City of Bonney Lake Water System Plan and expressing intent to amend the Community Facilities and Services Element as part of 2020 comprehensive plan update.

Background Summary: The current City of Bonney Lake Water System Plan (WSP) was approved in 2009 with a 6-year approval by the Department of Health (DOH). On October 28, 2014, Council pass Resolution 2426 authorizing RH2 to update the WSP and directing staff to apply for a ten (10) year acceptance period with the Department of Health. Finalizing the WSP was delayed in order to address comments received by the Department of Ecology (DOE) and finalize rates to support the WSP's budget requirements. The plan has been completed and is available for review in electronic form at the following link: [2019 WSP](#). Once the City Council approves the updated WSP for the entire service area, an amendment to the City's Community Facilities and Services Element of the comprehensive plan will also be needed to add the 2019 WSP to the overall facility plan for the City.
