City Council Agenda Bill (AB)

Department/Staff Contact: ASD / Chuck McEwen	Meeting/Workshop Date: 26 October 2021	Agenda Bill Number: AB21-139
Agenda Item Type: Resolution	Ordinance/Resolution Number: 2984	Sponsor:

Agenda Subject: Secondary Internet backup connection (Microwave Internet Backup)

Full Title/Motion: A Resolution Of The City Council Of The City Of Bonney Lake, Pierce County, Washington, With Tri-Tec Communication To Provide A Microwave Backup Internet Connection.

Administrative Recommendation: Approve

Background Summary: During the Sumner Grade fire last September the fire burnt a number of power lines along Meyers Road. All Internet providers Fiber Optic cables run across the same set of power poles into the city. Once these fiber optic cables were destroyed the vast majority of the city was without Internet access for days. Also due to the fire local cellular towers were running off backup power and were of deminished speed. As a result the City's EOC and emergency functions were greatly reduced. The proposed solution would be to utilize a Microwave direct internet connection as a backup to the City's main internet connection (currently Comcast Enterprise Fiber).
