Re: Notice of Rate Adjustment under Section 4(a), 4(b), and 4(d) of Amendment No.3 to Agreement for Collection and Disposal of Solid Waste, Recyclables and Yard Waste in the City of Bonney Lake

Dear Mr. Vodopich,

Section 4(a) of Amendment No.3 dated October 11, 2022, provides for an annual CPI adjustment equal to 100% of the change in the Consumer Price Index for All Urban Consumers, Water and Sewer and Trash Collection Services for the period October to October of the previous year. One Hundred percent of the CPI change for this period is 5.02%.

Section 4(b) of Amendment No.3 provides for disposal fee adjustments to be made to collection rates for all increases or decreases in landfill/disposal cost. We have been notified that on March 1, 2025, the landfill rate in Pierce County will increase from \$174.84 per ton to \$184.99 per ton.

Section 4(d) of Amendment No.3 allows the Contractor to request rate adjustments for unforeseen costs. In response to Washington's Climate Commitment Act, Murrey's was approved to begin passing through a carbon fee on fuel purchases, incorporated into rates in March 2024. Calculated annually based on prior-year expenditures, the fee will decrease by 13.4% this year. Residential customers will see the fee drop from \$0.19 to \$0.16 per month, while commercial fees will adjust from \$0.57–\$2.84 to \$0.49–\$2.46 per month, depending on the customer's level of requested service.
