

The WSDA Organic Food Program has reviewed the materials listed below and determined that, based on the information submitted, each product is allowed for use in certified organic food production under the USDA National Organic Program (in conjunction with an approved organic system plan). WSDA does not provide any guarantee or warranty for materials included on this list, nor offer an endorsement to any product. Quarterly updates are available in the Organic Food Program Quarterly Report and can be found at <http://agr.wa.gov/FoodAnimal/Organic/default.htm>. If you are certified by a certification agency other than WSDA, check with your certifier prior to the use of any material.
